

Electrosurgical Pencils

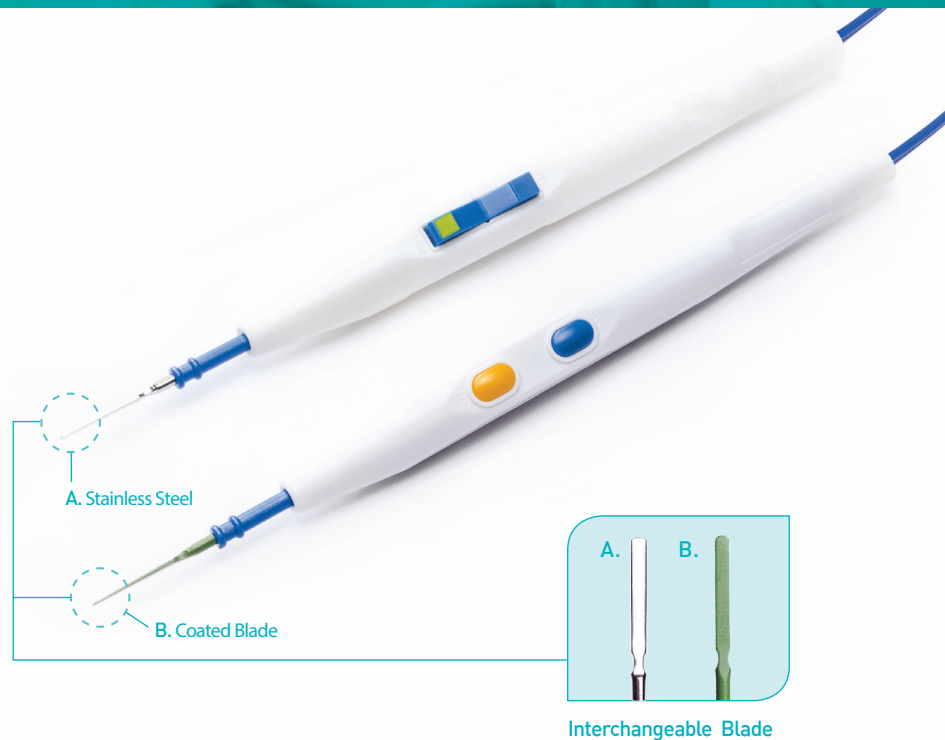

Ergonomic design.

Addressing your concerns over comfort and control, we made our electrosurgical pencil lightweight and developed an easy grip surface that maximises grip, even in wet conditions.

Blade options.

Choose between our removable, 50mm or 100mm coated, non-stick or stainless steel blades.

- ✓ Easy grip surface
- ✓ Lightweight
- ✓ Button control or rocker options
- ✓ Optional holster available
- ✓ Sterile
- ✓ Single use

Electrosurgical Pencils Sterile
