MULTIGATE
CubeWare®

Multigate CubeWare® delivers a smarter, design-led solution to storing and working with surgical dishes. Addressing nurses concerns about the use of space on instrument tables.

FEATURES

Space saving.

CubeWare® dishes take up 15% less instrument table space, and help reduce storage space of our Packs by up to 47%.

47% less bulk

15% more working space

- ☑ Single use
- ☑ Saves instrument table space
- ☑ Reduces storage volume
- ☑ Improved stability
- ☑ 100% recyclable

INNOVATION

Improved stability.

Innovative square and rectangular shapes give our dishes more stability on the instrument table and provide extra structure and stability to our Procedure Packs when stored.

Mobility.

A wheeled stand designed to fit the largest dish is available, for easier movement.

Designed to fit.

With over 3,000 configurations, CubeWare® dishes are designed to optimise any surface space.
